P.V.D.T. COLLEGE OF EDUCATION FOR WOMEN

SNDT WOMEN'S
UNIVERSITY

pvdcollege@gmail.com

P.V.D.T. College of Education for Women started as a department in S.N.D.T. Arts College, Mumbai, in 1951. But in 1959 it was converted into a full fledged college with Marathi Medium and Gujarati Media B. Ed. Classes. Since then the College has been actively engaged in teacher training programme. Today, the College has five distinct thrusts. The college has two classes - one Marathi Medium and other Gujarati Medium with intake capacity of 50 in each division. As B.Ed. program is of two years from academic year 2015-2016, there are 100 students studying in First year B.Ed. and 100 students studying for second year B.Ed. Students are admitted through the centralized admission procedure. The college is situated on the third floor of the main building of the SNDT Women's University, Churchgate. The college has about 35 secondary schools which are used for practice teaching and internship programs. The schools are spread all over Mumbai.

Focus Areas

- Constructivist Approach to Teaching and learning
- Use of Technology in College and School Teaching Learning
- Computer Assisted learning
- Different approaches like co-operative learning, collaborative learning, team teaching, Brain based learning etc.
- Mobile learning.
- Working with community for understanding society
- Preparing teachers for Inclusive classroom
- Life skill Education

Teaching Learning Activities

The college has two classes - one Marathi Medium and other Gujarati Medium with intake capacity of 50 in each division. As B.Ed. program is of two years from academic year 2015-2016, there are 100 students studying in First year B.Ed. and 100 students studying for second year B.Ed. Students are admitted through the centralized admission procedure. The college is situated on the third floor of the main building of the SNDT Women's University, Churchgate. The college has about 35 secondary schools which are used for practice teaching and internship programs. The schools are spread all over Mumbai.

The Program

Bachelor of Education (B.Ed)

About us

Our Vision

1. College development Committee has been suggested to develop well equipped multipurpose hall (Savitribai Phule Sabhagruh) for academic, social and cultural activities. Our honorable Vice Chancellor has inaugurated the hall and remark to organized activities.
2. Finance Committee- this committee has financially supported to all activities of the planning committee. Finance committee had sanctioned the sufficient amount for the renovation of Hall.
3. Student Council- As per the guidelines of SNDT Women's University, every year our college prepared student council for smoothly work culture. Student council department has planned year wise activities.

Our vision

The vision of the colleges is to prepare secondary and higher secondary teachers, who are capable of responding to the changing needs of modern Indian Society with the challenges and opportunities available.

Our Mission

The mission of the colleges is to equip the student teachers with respect to effective classroom teaching practices.

KNOW OUR UNIVERSITY

SNDT WOMEN'S UNIVERSITY

SNDT – Founder

An Enlightened Woman is a Source of Infinite Strength

The SNDT Women's University is getting ready to host its centenary celebration. The SNDT Women's University owes its genesis to Bharat Ratna Maharshi Dhondo Keshav Karve, a great social reformer whose ceaseless efforts played a cardinal role in transforming the destiny of the Indian women. Fascinating and exciting journey towards empowerment of women in higher education continued in spite of many hurdles and challenges faced over last 100 years. Today vision of the SNDT Women's University is to be a world class university that continually responds to the changing social realities through the academic excellence and application of knowledge. The purpose of such engagement is to create an inclusive society that promotes and protects the dignity, equality, social justice and human rights for all, with special emphasis on women. .

The University Today

In 1951 the University acquired statutory recognition from the Government of Maharashtra. This recognition came along with the rare privilege of jurisdiction across the country.

Today the University has three campuses-Pune, Churchgate and Juhu in Mumbai. In addition to 39 university Departments and 13 constituent colleges/ institutions located on Four campuses, it has 166affiliated colleges in Maharashtra, Gujarat, Goa Madhya Pradesh, Uttar Pradesh. It has an enrolment of over 70,000 students in liberal and professional programmes. These are offered through 12 Faculties Viz Arts, Fine Arts, Social Science, Commerce, Science Education, Home Science, Law, Technology Management, Library and Information Science and social work

RULES AND REGULATIONS

P.V.D.T.
COLLEGE OF
EDUCATION FOR
WOMEN

Eligibility: Eligible of candidates will be given as per the selection procedure laid down by the respective State Government from time to time/S.N.D.T. Women's University/ NCTE Norms. The reservation and relaxation for SC/ST/OBC/PWD and other categories shall be as per the rules of the respective state Government

Duration : The B.Ed. program shall be of the duration of two academic years.

Selection Procedure: Admission of the eligible candidates will be given as per the selection procedure laid down by the respective State Government from time to time/S.N.D.T. Women's University/NCTE Norms Candidates seeking admission in the colleges from state of Maharashtra need to appear for CET.

Working days: 210 working days each year exclusive of period of examination and admission. Minimum 36 hrs in a week, physical presence in the institute of student teacher is necessary. The minimum attendance of student-teachers shall have to be 80% for all course work and practicum, and 90% for school internship.

Medium of Instruction : The medium of instruction at the B.Ed. course will be Marathi, Hindi, English and Gujarati. However, the medium of instruction for the subject education in Marathi, Hindi, English and Gujarati and Urdu will be Marathi, Hindi, English, Gujarati and Urdu respectively.

Medium of Examination : The medium of examination shall be Marathi, Hindi, English and Gujarati irrespective of the medium of instruction. Medium of writing answer papers of theory courses and practical work (including school lessons) should be the same.

Rules for examination : Eligibility for appearing for B.Ed. examination : Student teacher who has not completed successfully internal assessment will not be allowed to appear for semester examination. Student teacher having less than 80% attendance in any course will not be eligible for appearing for examination of the course. The principal of the college will however have discretion to condone absence up to 10% in year, for reasons to be recorded in writing or on submission of medical certificate.

Rules for Re-appearing in Examination: Student teachers who do not pass examination of a particular course/s in three attempts will have to re-enrol for the entire program. Student teacher has to complete B.Ed. degree in three years. For instance, a student enrolling for a two-year B.Ed. program in 2015-17 will have to complete the program by 2018-19. When the syllabus changes, question papers of old syllabus will be set for the four times along with the question paper for new syllabus. If a student is unable to complete the B.Ed. program within two years after the first examination when syllabus is changed, she will have to appear for examination of the new course.

RULES AND REGULATIONS

P.V.D.T.
COLLEGE OF
EDUCATION FOR
WOMEN

Completion of Internal Work:
Completion of all items of internal practical work to be completed by each student as prescribed in the syllabus. In case the student is sanctioned absence on medical ground, she has to complete the items of internal work that she may have missed during her absence as may be re-arranged by the college in the same semester. The principal shall send the internal assessment marks to the Director, Board of Examinations and Evaluation of the University before commencement of the examination.

Rules for Passing : To pass the examination a candidate must obtain at least 40% marks in each head (i.e. each theory course and each item of practical work.). To pass the whole examination a candidate must pass Theory and Practical separately and also in each head of theory and of practical work

Re-evaluation : Facilities for verification of marks, obtaining photocopy of answer sheet and re evaluation of answer scripts are available on payment of prescribed fees

Rules for promotion : Students will be automatically promoted from First year to second year. Students having 40% or more than 40% backlog (failure/absenteeism without valid reason in four or more than four courses) in the first year will not be allowed to take admission in second year.

Exemption : The candidates who have obtained minimum 40% or more marks in any heads of passing but failed in the examination shall be eligible to claim exemption in such head/heads. Candidates claiming exemption will not be eligible for first class with Distinction and Position in the merit list

Scheme of Evaluation : The performance of the learner shall be evaluated as internal work and external work. Internal assessment will be done with marks by way of continuous evaluation of the course areas as envisaged in the credit-based system by way of participation of learners in various practical works in the B.Ed. program.

PLO 3	Demonstrate professional/technical knowledge (What prospective teachers are expected to know) of the physical, social, and intellectual development and characteristics of students and how these may affect learning; undertaking research into

	how students learn and the implications for teaching; and identifying teaching strategies that are responsive to the learning strengths and needs of students from diverse linguistic, cultural, religious and socioeconomic backgrounds.
PLO 4	Demonstrate disciplinary knowledge and understanding of strategies for differentiating teaching to meet the specific learning needs of students across the full range of abilities; teaching strategies that support participation and learning of differently-abled students; both school education and teacher education-related subjects, including concepts, substance and structure of the content, and approaches to organising content into an effective learning sequence.
PLO 5	Demonstrate knowledge required to design learning sequences and lesson plans; implement teaching strategies using ICT to improve the teaching-learning process; set explicit, challenging and achievable learning goals for all students; and plan and implement well-structured learning and teaching programmes or lesson sequences that engage students and promote learning.
PLO 6	Demonstrate professional competencies/practice (What prospective teachers will be able to do) that are required to select and use relevant teaching strategies to develop knowledge, skills, and attitude select and/or create and use a range of resources, including ICT, to engage students in their learning; use effective verbal and non-verbal communication strategies to support student understanding, participation, engagement and achievement; evaluate teaching and learning programmes using evidence, including feedback from students and student assessment data, to inform planning; establish and implement inclusive and positive interactions to engage and support student participation in classroom activities.
PLO 7	Demonstrate professional competencies/practice that are required to manage school and classroom activities; ensure students' well-being and safety within school by implementing school and/or system, curriculum and legislative requirements; and incorporate strategies to promote the safe, responsible and ethical use of ICT in learning and teaching.
PLO 8	Demonstrate professional competencies/practice that are required to develop, select and use informal and formal, diagnostic, formative and summative assessment strategies to assess student learning; provide timely, effective and appropriate feedback to students about their achievement relative to their learning

	goals; participate in assessment moderation activities to support consistent and comparable assessment of student learning; use student assessment data to analyse and evaluate student understanding of subject/content, identifying interventions and modifying teaching practice; and report on student achievement, making use of accurate and reliable records.
PLO 9	Demonstrate competencies and actions required for keeping oneself professionally engaged and participate in learning to update knowledge and practice, targeted to professional needs and school and/or system priorities; contribute to collegial discussions and apply constructive feedback from colleagues to improve professional knowledge and practice; meet codes of ethics and conduct established by the education systems and schools; establish and maintain respectful collaborative relationships with parents/guardians regarding their children's learning and well-being and participate in professional and community networks and forums to broaden knowledge and improve practice.
PLO 10	Demonstrate women's empowerment in various dimensions such as personal, professional, and social through Positive Self- Concepts, professional competencies, and Awareness of Women's Issues and Rights.

To achieve the above Program learning outcomes of B.Ed. The SNDT Women's University syllabus has prescribed 12 theory courses (9 perspective courses, 2 pedagogy courses, and 1 elective course), 7 Practical Enhancing Professional Capacity courses (EPC), and 2 field engagement courses. Following are the Course Learning Outcomes (CLOs) that are aligned with the above PLOs.

Course Learning Outcomes (CLO)

Perspective Courses

Course 1	Childhood and Growing Up
Course code:	1001
Target PLO(s)	PLO 3, PLO 4 & PLO 7
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain various concepts such as Growth and Development, Stages of Development;
CLO 2	analyze child physical, social, and intellectual development and characteristics of students and how these may affect learning;
CLO 3	apply various learning theories in teaching-learning practice;
CLO 4	identify individual differences among learners;
CLO 5	identify teaching strategies that are responsive to the learning strengths and needs of students from diverse linguistic, cultural, religious and socioeconomic backgrounds;
CLO 6	undertake research into how students learn and the implications for teaching.

Course 2	Contemporary India and Education
Course code:	1002
Target PLO(s)	PLO 1, PLO 3 & PLO 10
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	journaling the clear picture of present Indian society;
CLO 2	analyze the current issues and problems in Indian Society.;

CLO 6	adopt values of the Indian constitution in personal, professional, and social life

Course 3	Critical Understanding of ICT
-----------------	--------------------------------------

Course code: 1003

Target PLO(s) PLO 5, PLO 6 & PLO 8

CLO Statements

On completion of this course, student teachers will be able to:

CLO 1	explain various aspects and the role of ICT in education;
CLO 2	integrate different ICT-based strategies in the teaching-learning process;
CLO 3	analyze various aspects and roles of ICT in education;
CLO 4	evaluate the effectiveness of ICT-based teaching-learning and assessment strategies in education;
CLO 5	structuring one 's own philosophical approach regarding education;
CLO 6	create useful ICT-based media and assessment tools for teaching-learning and assessment.

Course 4	Teaching and Learning
-----------------	------------------------------

Course code: 1004

Target PLO(s) PLO 3, PLO 4 & PLO 5

CLO Statements

On completion of this course, student teachers will be able to:

CLO 1	outline the process and stages of learning;
CLO 2	categorize the types of knowledge;
CLO 3	appraise various views on human learning in different situations;
CLO 4	adapt various constructivist principles of learning-teaching to facilitate students' learning;
CLO 5	analyze different learning theories in the context of 21 st -century learners;
CLO 6	design Lerner-centred teaching-learning practices to develop various cognitive skills;

Course 5 Language across Curriculum

Course code: 1005

Target PLO(s) PLO 2, PLO 4 & PLO 6

CLO Statements

On completion of this course, student teachers will be able to:

CLO 1	discuss the basic nature and characteristics of language;
CLO 2	explain the place of language and centrality of language in school curriculum
CLO 3	use effective verbal and non-verbal communication strategies to support student understanding, participation, engagement, and achievement;
CLO 4	analyze the process and stages of acquisition of language In respect of different languages acquisition theories;
CLO 5	evaluate the effectiveness of ICT-based teaching-learning and assessment strategies in education;
CLO 6	design innovative instructional material for students' language development.

Course 8 Assessment for Learning

Course code: 2008

Target PLO(s) PLO 6, PLO 7 & PLO 8

CLO Statements

On completion of this course, student teachers will be able to:

CLO 1	explain various concepts such as assessment (Formative and summative), measurement, evaluation, test, examination, and Grading;
CLO 2	use different statistical techniques to analyze student assessment data and evaluate student understanding of the subject/content for identifying interventions, and modifying teaching practice;
CLO 3	analyze examination reforms in India;
CLO 4	evaluate the current examination system and its Impact on education;
CLO 5	adopt a constructivist approach to assessment for school-based assessment.
CLO 6	create different assessment tools such as assessment rubrics, checklists, unit tests, portfolios, oral, written tests, etc.

Course 9	Knowledge and Curriculum
-----------------	---------------------------------

Course code: 2009

Target PLO(s) PLO 3, PLO 4, PLO 5, PLO 6 & 07

CLO	Statements
------------	-------------------

On completion of this course, student teachers will be able to:

CLO 1	describe the epistemological bases of modern child-centered education;
CLO 2	explain the determinants of curriculum development;
CLO 3	relate constitutional values with education;
CLO 4	examine educational implications of nationalism, universalism, secularism, multiculturalism, and multilingualism;
CLO 5	justify changes in education due to advancements in ICT and educational psychology
CLO 6	develop appropriate learning resources to facilitate different types of knowledge.

Course 10	Inclusive Education
------------------	----------------------------

Course code: 2010

Target PLO(s) PLO 1, PLO 3, PLO 4, & PLO 6

CLO	Statements
------------	-------------------

On completion of this course, student teachers will be able to:

CLO 1	explain the causes characteristics and special needs of children with physical, mental, economic, cultural diversity and learning disability
CLO 2	demonstrate honouring diversity and ensuring inclusion by treating all students and colleagues with respect and dignity, showing respect for and sensitivity to gender, cultural, and religious differences;
CLO 3	identifying teaching strategies that are responsive to the learning strengths and needs of students from diverse linguistic, cultural, religious and socioeconomic backgrounds.
CLO 4	use cooperative and collaborative learning strategies to facilitate the different needs of the learners;
CLO 5	establish inclusive and positive interactions to engage and support student participation in classroom activities.;
CLO 6	design teaching-learning strategies that support the participation and learning of differently-abled students.

Course 11	Gender, School, and Society
Course code:	2011
Target PLO(s)	PLO 1, PLO 6, & PLO 10
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	describe issues concerned with women;
CLO 2	explain various social reform movements in India with respect to women;
CLO 3	organize training and counselling for various personnel regarding gender equality and women empowerment.
CLO 4	suggest remedial measures to overcome constraints to education of women;
CLO 5	analyse various social reform movements in India with respect to women rights and empowerment;
CLO 6	design learning experiences for gender sensitization and women empowerment.

Elective Courses

Course 12	Peace Education
Course code:	(Elective-1)
Target PLO(s)	
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	discuss the philosophical, sociological basis of peace education.
CLO 2	explain the need for peace education
CLO 3	describe qualities of peace educator
CLO 4	acquire essential qualities as a peace educator
CLO 5	Inculcate core elements given by NPE (1986) Develop learning experience for promoting peace

Course 12	Guidance and counselling
Course code:	(Elective-2)
Target PLO(s)	PLO 5, PLO 6 & PLO 7
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain the concept, meaning, and process of guidance and counselling;

CLO 2	manage challenging behaviour and address discipline issues promptly, fairly and respectfully through the guidance and counselling;
CLO 3	ensure students' well-being and safety within the school by providing guidance and counselling;

CLO 5	provide guidance for career information;

Course 12	Sustainable Development
------------------	--------------------------------

Course code:	(Elective-3)
---------------------	---------------------

Target PLO(s)	PLO 1, & PLO 2
CLO	Statements

On completion of this course, student teachers will be able to:

CLO 1	relate human development with nature
CLO 2	narrates programs for sustainable development by Government and NGOs
CLO 3	relate energy crisis with depletion of natural resources
CLO 4	suggest various ways and means for sustainable development
CLO 5	implement various curricular and co-curricular activities for sustainable development

Course 12	Human Rights Education
------------------	-------------------------------

Course code:	(Elective-4)
---------------------	---------------------

Target PLO(s)	PLO 1, PLO 2 & PLO 7
CLO	Statements

On completion of this course, student teachers will be able to:

CLO 1	elaborate the Universal declaration of human rights
CLO 2	develop various teaching strategies for human rights education.
CLO 3	evaluate the role of educational institutions and NGO'S in human right education
CLO 4	explain the issues and challenges of RTE.
CLO 5	elaborate the Universal declaration of human rights

Pedagogy Courses

Course 06	English Language Education
Course code:	1101 (Pedagogy course-1)
Target PLO(s)	PLO 3, PLO 4, PLO 6 & PLO 8
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain the disciplinary nature, structure, and importance of the English Language as a school subject;
CLO 2	describe major concepts, principles, perceptive, and features of English Language at the school level;
CLO 3	plan for developing four Basic Skills of English Language through English teaching - write instructional objectives of teaching a topic;
CLO 4	use various methods and models of teaching in teaching of English Language - facilitate self-learning of English;
CLO 5	develop, informal and formal, diagnostic, formative, and summative assessment strategies to assess student learning;
CLO 6	analyze features and principles of curriculum development of the English Language
CLO 7	conduct action research on day-to-day problems of teaching English.

Course 06	हिंदी भाषा शिक्षण
Course code:	1103 (Pedagogy course-1)
Target PLO(s)	PLO3, PLO4, PLO6 & PLO8
CLO	Statements

CLO 4	use of various cooperative learning methods and models of teaching and various learning resources to promote teaching Geography;
CLO 5	conduct a continuous and comprehensive evaluation.

Course 07 History Education**Course code: 1112 (Pedagogy course-2)****Target PLO(s) PLO3, PLO4, PLO6 & PLO8**

CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain the nature and structure of History and political Science Education;
CLO 2	analyse features of the existing curriculum of History and politics Education in the light of NCF 2005 and principles of curriculum development History and Political Science Education at the secondary school level;
CLO 3	using learning resources for history &political science Education
CLO 4	plan teaching major concepts, principles and cocurricular activites of History and Political Science Education at school level;
CLO 5	use of various teaching-learning methods and models of teaching and various learning resources to promote teaching History and Political Science;
CLO 6	conduct a continuous and comprehensive evaluation of History and Political Science.

Course 07	Science and Technology Education
Course code:	1114 (Pedagogy course-2)
Target PLO(s)	PLO3, PLO4, PLO6 & PLO8
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain the nature and structure of science;
CLO 2	analyze features of existing curriculum of Science and Technology in the light of NCF 2005 and principles of curriculum development;
CLO 3	using learning resources for history & political science Education
CLO 4	plan teaching major concepts, principles and cocurricular activities of Science and Technology at school level;
CLO 5	use of various teaching-learning methods and models of teaching and various learning resources to promote teaching Science and Technology;
CLO 6	conduct a continuous and comprehensive evaluation of Science and Technology.

Enhancing Professional Capacities (EPC) Courses

Course: EPC-1	Skill Development Program (I. Micro-teaching II. Integration Lesson)
Course code:	1301
Target PLO(s)	PLO 5, PLO 6, & PLO 7
CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	explain the nature of different micro-teaching skills;
CLO 2	plan micro lessons to practice micro-teaching skills;
CLO 3	demonstrate micro-teaching skills;
CLO 4	demonstrate the integration of different micro-teaching skills;
CLO 5	use different micro-teaching skills in practice lesson
CLO 6	assess peer skill performance.

Course: EPC-2 Teaching-learning Competency (I. Reading and Reflecting on Texts, II. Preparation for constructivist teaching-learning)

Course code: 1302

Target PLO(s) PLO 2, PLO 5, PLO 6, & PLO 7

CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	read and respond to a variety of texts in different ways;
CLO 2	think together, depending on the text and the purposes of reading;
CLO 3	demonstrate awareness to become conscious of their own thinking processes as they grapple with diverse texts;
CLO 4	plan preparatory lessons followed by a constructivist approach;
CLO 5	assess peer lessons based on constructivist principles of teaching-learning.
CLO 6	design different constructivist learning activities for lessons.

Course: EPC-3 Learning to use Computer in Education

Course code: 1303

Target PLO(s) PLO 5, PLO 6, & PLO 7

CLO	Statements
On completion of this course, student teachers will be able to:	
CLO 1	search appropriate web resources for teaching-learning;
CLO 2	prepare multimedia presentations to cater students' learning styles and improve the teaching-learning process;
CLO 3	access OER that are useful for teaching, learning, and assessing as well as for research purposes;

Course: EPC-4 Understanding the Self

Course code: 1304

Target PLO(s) PLO 1, PLO 9, & PLO 10

CLO	Statements
On completion of this course, student teachers will be able to:
