To,
The principal,
PVDT College of Education,
Mumbai-20

Dear Sir,

I would like to extend my sincere thanks for sending B.Ed. students for the internship in our school.

The B.Ed. syllabus designed by SNDT University is apt for preparing teachers for the new age. They are well-trained in ICT.

I have also taken an overview of the overall curriculum of the B.Ed. of your university. I would like to communicate some suggestions for revision of curriculum for next upgradation.

- 1) There should be no separation between constructivist lessons and Practice lessons because all the students take all the lessons with a constructivist approach.
- 2) There should be an equilibrium of activities and theory papers in the first and second years.
- 3) Students are trained in two methods of school subjects they should have the facility to learn any additional method of their interest.

Thanking you

Thank you

Regards

Mrs. Gomes

Subject –Internship report of students

Respected sir,

With reference to the subject mentioned above hereby we are informing that eight students from your college who had done B.ED internship (Internship for trainee teacher) in our school in year 2018-2019. The exercise which was for 15 days, exposes interns to actual classroom situation, student's interaction with them, etc.

To direct your kind attention towards the interns –

- Curriculum to be delivered in proper way with time management.
- Need to use Audio Visual room.
- Teaching aids need to be prepared for topics taught.
- Lesson plan should be prepared according to lectures.
- Practical method should be used for Science Subject.
- Basic introduction should be explained before starting new topics.
- Should give homework after explaining topics / lesson.

We are thank you to be part of above.

Kindly accept the same.

Yours Faithfully,

H.M.

S.V.V.M.
