## National Voters Day

National Voters Day 2023 Was Celebrated By PVDT College Of Education With Collaboration Of NSS Unit Under The Guidance Of Mrs.Pratubha Ursal And Dr.Amol Ubale .

Fourteen (14) girls were volunteering the program and twelve (12) girls were traditionally dressed in pairs in South Indian, north indian Gujarati, marathi Christian and muslim look with the slogan **my vote my future**. Rally was organised from Nariman point till our college churchgate during this ongoing rally girls setup a street play. Along with different slogan we marched and performed street play in different areas and this was live telecast. Street play was all about why vote is important and how corruption take place while voting.

After coming from the rally we had a Panel discussions involving faculty members, political science experts, and local government officials were organized. These sessions delved into topics such as the role of youth in shaping political landscapes, the impact of voting on policy decisions, and the importance of civic participation beyond elections.

The success of the National Voters Day 2023 celebration would not have been possible without the dedicated efforts of the organizing committee, the enthusiastic participation of students, and the support of faculty and administrative staff. We extend our gratitude to everyone involved for contributing to the success of this important event, which serves as a testament to our commitment to nurturing responsible and engaged citizens.

## TEACHING AIDS WORKSHOP

On April 1, 2023, our college, PVDT, organized a Teaching Aids Workshop for us. The chief guest for the event was Devkarnath Bhosale from Kolhapur, a unique teacher known for his expertise in using teaching aids effectively.

During the workshop, Mr. Bhosale emphasized the importance of teaching aids for teachers in helping students grasp and understand information more effectively.

Mr. Bhosale introduced us to various teaching aids that could be easily found at home. We learned how to create a newspaper hat, 3D pillars, and chart paper leaves. He demonstrated how a simple old bottle could be transformed into a teaching aid to explain the intricacies of the human body system. His approach made the workshop unique and interesting, capturing our attention and sparking our creativity.

After the workshop, we were divided into groups, where we were tasked with creating a 3D model using our own teaching aids based on a selected subject or method. We had the opportunity to showcase our models in front of our principal and other faculty members. The experience was truly remarkable, and we thoroughly enjoyed the process of creating the models, as it allowed us to apply what we had learned and showcase our understanding in a practical manner.

Overall, the Teaching Aids Workshop organized by PVDT, with Mr. Devkarnath Bhosale as the chief guest, was a great success. It not only provided us with valuable insights into the significance of teaching aids but also allowed us to enhance our creativity and presentation skills. We appreciate the efforts put into organizing such an engaging event and look forward to more opportunities like this in the future.

## Visit To Chhatrapati Shivaji Maharaj Vastu Sangrahalaya....

On 5th July 2023 our PVDT college of education for women conducted field visit in Prince of Wales Museum, also known as the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya in Mumbai. This iconic museum, established in the early 20th century stands as testament to India's rich cultural heritage and artistic legacy. Visit was a delightful experience to all the students, the vast collection of art, artifacts and historical treasures housed within its walls.

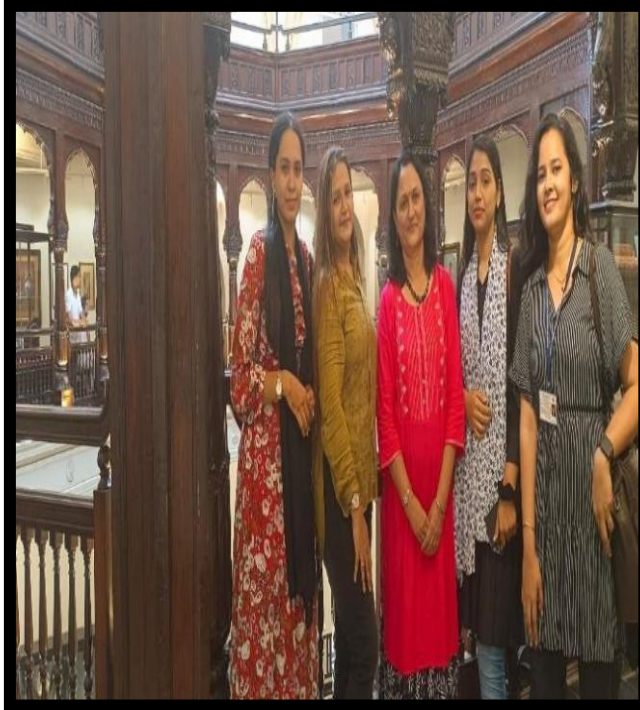

The museum's extensive collection and interactive exhibits were expected to provide us with a visual and experiential perspective on various historical events, cultural practices, and artistic achievements. The museum's art and culture section showcased traditional artworks, textiles, and craftsmanship of our region. It was fascinating to see how artistic expressions have evolved over time.

The interactive displays allowed students to engage with history in a dynamic way. We could touch and manipulate replicas of ancient artifacts, which brought a tangible connection to the past.

The museum's art gallery showcased an exquisite collection of Indian and international art spanning various centuries. Students admire the creativity and craftsmanship of Indian artist. The arms and armor gallery featured an extensive collection of weapons and protective gear used by warriors throughout India's history. From intricate Rajput weaponry to imposing Mughal armor, each exhibit was a testament to the skilled craftsmanship of the past. The visit to the Museum was an unforgettable journey through the annals Indian history, art and culture. The museum's vast and diverse collections provided a comprehensive view of India heritage and achievements of historical event.
